ABOUT US

College of Montessori and Child Care is a registered institution under autism Research Centre and managed by Vision Public Charitable Trust under Bombay Public Trust act 1950 and also registered with Niti Ayog. All courses are incorporated in line with autism research centre gujarat and integrated with learning disabilities with specialization in autism. All courses are strictly in accordance with the nep 2020. Courses are provided under online and distance education mode with essential elements of learning disabilities.

OUR TRAINEES

We are a teacher training institute focusing primarily on the trainee. The best interest of our trainees is in our heart. We make constant efforts to ease out every step of theirs - whether it is admission procedure, fee payment, attending classes, appearing for exams etc. - as long as they are with us. We believe in giving our trainees a value for their money.

www.ecce.visionpublictrust.org

OUR TRAINERS

Our experienced, expert and dedicated panel of course co-ordinators and faculty work relentlessly, round the clock to keep upgrading the curriculum to meet the dynamic demands in the field of pre-school education and the area of learning disability.

PRACTICALS AND OTHER EXCITING ACTIVITIES

PROJECTS/REPORTS

Students undertake comprehensive projects and prepare detailed reports, encouraging research, critical thinking, and the application of educational theories to real-life situations.

LESSONS IN PRESCHOOL/CRECHE

Students design and compile innovative teaching aids, documenting their creative process and educational value to enhance learning experiences.

OBSERVATION OF CHILDREN IN DIFFERENT AGE GROUP AND ITS INTERPRETATION

Through structured observation sessions, students study children's behavior across various age groups, learning to interpret developmental milestones and behavioral patterns.

PUPPET SHOW COMPETITION

Students create and perform puppet shows, developing creativity, storytelling skills, and the ability to capture children's imaginations through interactive and entertaining methods

TEACHING AID JOURNALS

Students design and compile innovative teaching aids, documenting their creative process and educational value to enhance learning experiences.

WORKING WITH CHILDREN

Hands-on interaction with children provides students with practical experience in engaging and educating young learners, fostering essential skills for effective teaching.

NUTRITION COMPETITION

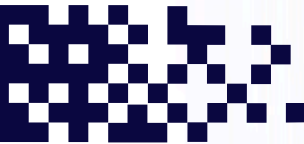

Engaging in nutrition competitions allows students to explore the importance of diet in early childhood development, promoting healthy eating habits and nutritional awareness.

EDUCATIONAL TOURS TO SPECIAL SCHOOLS, SOS VILLAGE, MOBILE CRECHE, ORPHANAGE AND MANY MORE

Our educational tours offer students invaluable real-world experiences by visiting special schools, SOS villages, mobile creches, orphanages, and other institutions. These visits provide insights into diverse educational settings and the unique needs of different child populations, enhancing students' practical understanding and empathy as future educators.

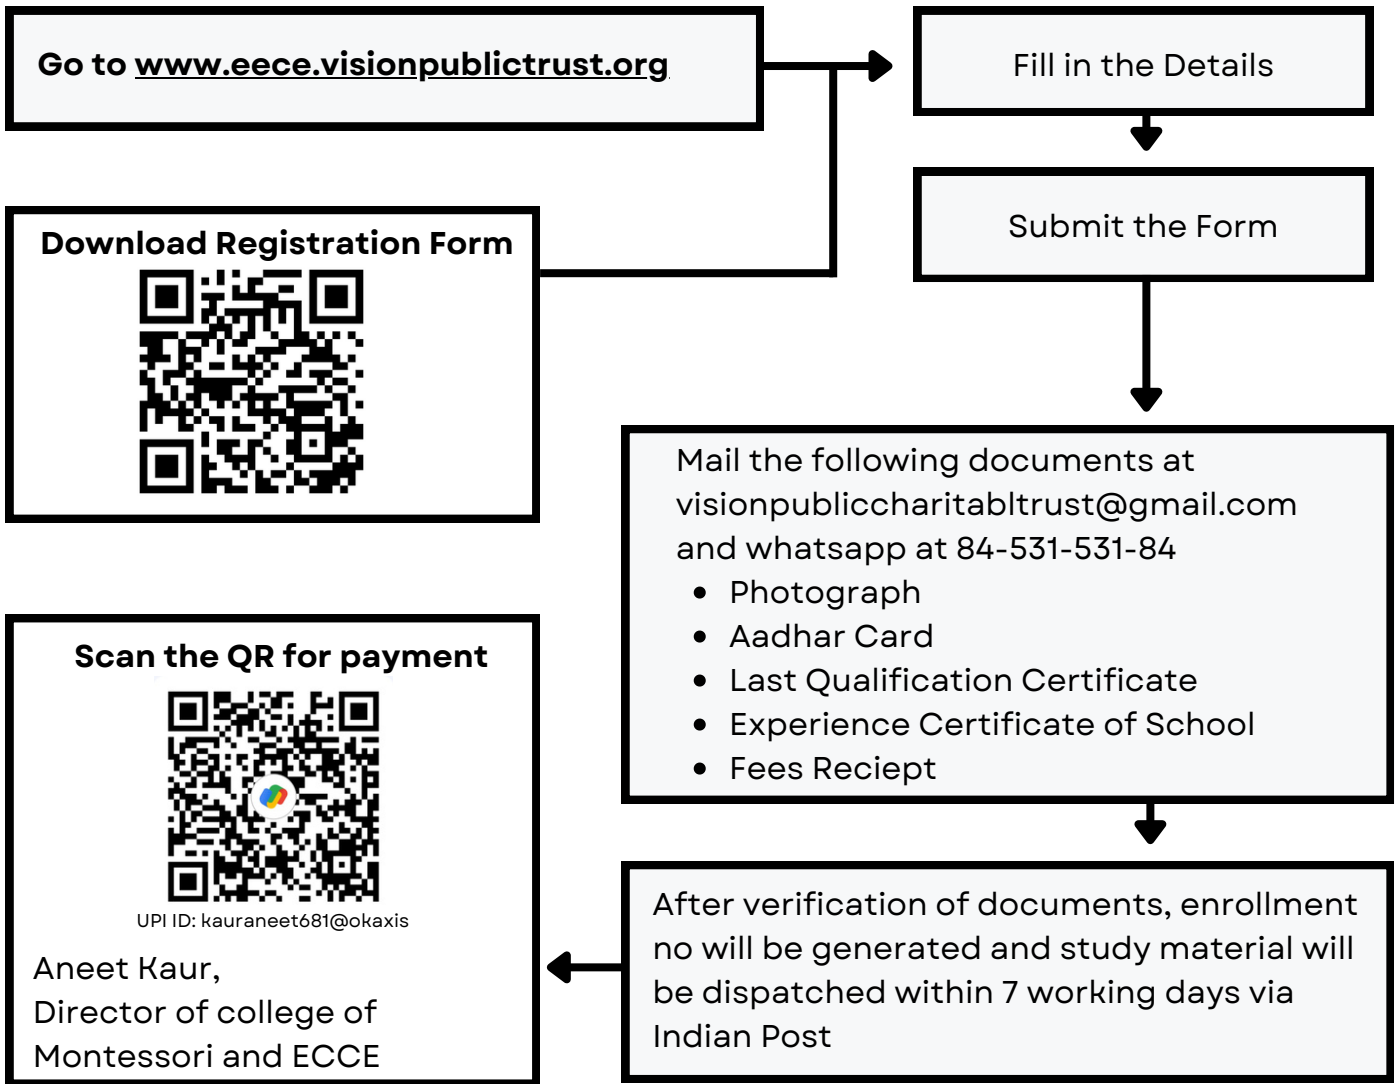

OPPORTUNITIES

- Daycare Center Director
- Childcare Worker
- Early Childhood Education Consultant
- Special Educator
- Childcare Center Owner
- Educational Coordinator
- Curriculum Developer
- Pediatric Hospital Educator
- Montessori Teacher
- Preschool Teacher
- Early Childhood Researcher
- Corporate Childcare Provider
